cause of disharmony within a person, while working with them as a whole. In a Medical Qigong session, the practitioner, having developed through dedicated study and self-cultivation the ability to sense and manipulate energy, uses qi emission to restore health and wellness to the client.

Medical Qigong - Specializing in Chinese Energetic Medicine

Medical Qigong. This is the most popular of the three categories. It is the oldest of the four branches of Traditional Chinese Medicine and the energetic foundation from which acupuncture, herbal medicine, and Chinese massage originated. Thus Qigong shares the foundational theories of Traditional Chinese Medicine and uses similar diagnostic and treatment methods.

Qigong | Taking Charge of Your Health & Wellbeing

Medical Qigong is an ancient form of Chinese energetic medicine, and is one of the four main branches of Traditional Chinese Medicine (TCM), along with acupuncture, herbal medicine, and medical massage. As with the other "Branches" of TCM, healing occurs through balancing qi or electromagnetic energy which surrounds and pervades all living creatures.
