with the thesis that evolution could be "tried" like a defendant in court. Darwin on Trial became a central text of the intelligent design movement, and Johnson has been described as the "father of ID". Eugenie Scott wrote that, in her opinion, the book "teaches little that is accurate about either the nature of science, or the topic of ev

Hi Darwin! I just did my very first multi-day hike this past weekend (Skyline to the Sea trail) and I stumbled across your YouTube videos as I was looking for information about hiking. They helped me out a lot to get a sense on what to bring to a hike, and then I got hooked on watching your adventures while in the PCT.
